MEMORANDUM FOR All METC BMET Training Students

SUBJECT: Welcome Letter

Congratulations on your acceptance into the Medical Education & Training Campus Biomedical Equipment Maintenance Technician Training Program. Our mission is to train, mentor, professionally develop, and qualify the finest US Army, US Navy, and US Air Force Biomedical Equipment Maintenance Technicians. Our vision is to be recognized as the world renowned Center of Excellence for biomedical equipment maintenance technician training.

You are about to embark on a memorable journey that will challenge you academically, spiritually, emotionally, and physically. You will be lead by a professional staff and faculty of experts from the Army, Navy, and Air Force who are committed to our core values "LDRSHIP Results in Excellence in All We Do." You will be expected to live up to these values daily and hold your peers accountable for maintaining the high standards we set in the BMET program.

We operate as "One Team" in the BMET program, therefore in order to be successful you will need to make significant personal sacrifices and commit to working together in order to overcome the challenges placed before you. Whether you are here for the Basic Course or one of the Advanced Courses we want you to have the best learning experience possible. We strive for excellence and will expect you follow in our footsteps and perform at your highest level possible. Please enjoy this rewarding opportunity and make every effort to learn, help others and attain higher levels of achievement in everything you do.

A handwritten signature in black ink, appearing to read "Y. A. M. S.", is located below the main text.

BMET Program Director
